

## Office of Grant Procurement, Coordination and Management Department of Administration

### Grant Facilitation

The Grants Office facilitated \$5.13 million in grant applications for the 4Q12 (April-June). This brings the 2012 fiscal year total of facilitated grant applications to \$5.37million.

In its first year, the Office established a productivity ratio of nearly 5 : 1 – generating \$5 in facilitated grants for every dollar the state puts into the office.

### Facilitated Grant Award Notifications

As of 7/13/2012, the Grants Office received notification of awards on three facilitated grant applications—totaling \$987,636.

### Disseminated Funding Opportunity Notices

The value of the grant opportunities identified and disseminated by the Grants Office for the 4Q12 is \$39.7 million. The total grants disseminated for the year-to-date is \$52.1 million.

The Office established in listservs 155 state internal contacts, 112 energy contacts, and 103 external grant contacts. Included are 20 distribution listings organized in Microsoft Outlook for select repeat type targeted emails.

### Outreach

Met with 33 state agencies, nonprofits and grant professionals to identify needs and develop working synergies.

Tapped CPM class to outline a marketing strategy for the Office.

Established relationships at Nevada-based offices of federal delegation.

Successfully utilized University of Nevada, Reno, English Department's Community Service Learning program for grant research and interns.

Presented at two NxLevel classes—gaining potential grant resource partnerships.

Attended SBIR training with Governor's Office of Economic Development and are working together to identify ways to promote program.
